Viewport 1024x768 - Grid Width 940

The screenshot shows a standard desktop layout. At the top, there's a header bar with a user icon, a search bar containing 'enter search terms', and a shopping cart icon with '12' items. Below the header is a navigation menu with links to Home, Event, Accessories, Apparel, and Featured Items. The main content area features a large '404' error message, followed by a smaller text message: 'The page you were looking for could not be found. Please try the search below to find what you are looking for.' A search bar is located at the bottom of this section.

Tablet Portrait

Viewport 768x1024 - Grid Width 724

The layout is similar to the desktop version but with a smaller grid width of 724. The main content area is larger, and the '404' error message is more prominent. The search bar at the bottom is also larger.

Smartphone

Viewport 320x480 - Grid Width 280

The layout is significantly compressed due to the small grid width of 280. The main content area is very narrow, and the '404' error message is the most visible part of the page. A search bar is present at the bottom.
